

Discover the Hidden Jewel – Mirage by the lake

Escape from the sultry plains and into a private and exclusive enclosure, one that encapsulates you just like a **MIRAGE**

The winner of Architecture Multiple Residence and High-rise Architecture of the Asia Pacific Property Award 2011 in association with Bloomberg Television, Mirage by the lake is truly a lavish development of water-edge living. Mirage by the lake signifies a modern-day oasis for contemporary living, and a brilliant mix of the necessary elements, your home amidst art, light and water, while maintaining itself as the best-kept secret of Cyberjaya.

This soon-to-be-constructed 12.14 acres project by OSK Property, consists of 481 units of lake, link and garden villas plus condominium units that offer breathtaking picture-perfect mornings and the calming evenings of the majestic Putrajaya Lake. The chic interiors are just as stunning as the exquisite modern contemporary architecture.

To chill out after a busy day there is an option of Mirage's centerpiece, a salt water pool surrounded by verdant foliage that resembles a mirage-like imagery or you could enjoy the resort-style amenities such as the rooftop SKYgym and SKYgardens situated on top of one condominium block facing the Putrajaya Lake.

Every journey home to Mirage by the lake will invoke your inner sense of tranquility; lush landscapes surround and welcome you into a surreal world of calming rich greens and cool blue water. Marked differences from the reality of city life as you are transported into another realm, another dimension.

Designed by Multi-award Winning International Architecture Firm Crossscape from Singapore; Multi-award Winning Landscape Architect SekSan; and Multi-award Winning International Interior Designer Saporiti Italia from Milan, Mirage by the lake is offering you the exclusive nature-inspired lifestyle that you always wanted. ■
