

PECIAL MIRAGE

A MIRAGE MASTERPIECE

AWARD-WINNING DESIGNERS CREATE A PRIVATE AND EXCLUSIVE **MIRAGE** IN THE MOST PRESTIGIOUS ADDRESS IN ALL OF KUALA LUMPUR

OUT OF THE CONCRETE JUNGLE AND into a luxurious cove nestled in nature, privacy and exclusivity – this is Mirage by the lake, the latest boutique development by OSK Property. Conceived by a group of multi award-winning designers – architects Crossscape from Singapore, interior designer Saporiti Italia from Milan, landscape architects Seksan Design from Malaysia and security system GDSS System Sdn Bhd also from Malaysia – Mirage by the lake spells the new residential landscape in the country.

Perched on the highest point of Perdana Lakeview West, the most exclusive and prestigious enclave in Cyberjaya, Mirage by the lake boasts 3.5 acres of land designed by master landscaper Seksan Design. The development comprises three-storey

lake villas, three-storey garden villas, two-storey link villas and condominiums, all of which overlook Mirage's centrepiece – a wetland with salt water pool. Among the facilities available are the resident clubhouse, perimeter fencing with infra-red CCTV for added security and multiple leisure pavilions hidden among the trees, perfect for residents to relax in total privacy. There is also the rooftop SKYgym and SKYgardens atop the condominium blocks facing the beautiful Putrajaya Lake and Skyline, which lets you work out or simply take a stroll 'in the sky' with an unobstructed view of the astounding landscape.

Lavish, distinctive and modern, Mirage by the lake is everything you desire in a home and more. Come discover one of the best kept secrets of Cyberjaya.
