

OSK Property Promotes Reading with NiE

KUALA LUMPUR, Malaysia – 18 March 2015 – Newspaper is one of the important media to cultivate a culture of reading among the communities especially among school children. Some may perceive reading newspapers are boring and dry but with pull-outs like the NiE, reading can be made fun, educational, valuable and enjoyable. In the support to nurture the reading culture among our Malaysian children, OSK Property (OSKP) has sponsored 10,000 copies of The Star newspaper to the schools below:

1. Kolej Vokasional Setapak
2. SM ERT Setapak
3. Kolej Vokasional, Klang
4. SM Vokasional, Shah Alam
5. Kolej Vokasional, Kuala Selangor
6. Kolej Vokasional, Kajang
7. Kolej Vokasional, Gombak
8. SMK Ampang Pecah
9. SMK Seri Kundang
10. SMK Sierramas

Bahasa Malaysia is our national language that unites us all. At the same time, English is equally important as it is one of the most widely spoken languages and a large number of books are published in English. Therefore, we hope that the school children will be able to make the best use of the newspapers to help them learn and grow as they master the English language.

“We are glad to be given this opportunity to participate and make a difference in education for the school children in Malaysia. We believe that children will be able to pick up the reading habit through NiE, which is a great tool to stimulate imagination, improving their language and communication skills in a fun and engaging way.”
